We would like to point out that Internet-based data transmission has security gaps, making complete protection against access by third parties impossible.

Cookies

We use so-called cookies on our site for the recognition of multiple use of our offer by the same user/internet connection owner. Cookies are small text files, which your internet browser archive and saves on your computer. They serve to improve and optimize our internet presence and our offers. These are usually so-called "session cookies", which are deleted after the end of your visit. In some cases, however, these cookies provide information in order to automatically recognize your presence. This Recognition is based on the IP address stored in the cookies. The information obtained through this channel serve to optimize our offers and to provide you with an easier access to our website page.

You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this, you may not be able to use our website to the full extent.

Server data

For technical reasons, as well as due to our legitimate interest (see art. 6 par. 1 lit. f. GDPR), the following data amongst other things, are transmitted through your Internet browser to us or to our web space provider, and it englobes so-called server log files:

- Browser type and version
- Operating system used
- Website from which you visit us (referrer URL)
- Website you are visiting
- Date and time of your access
- Your Internet Protocol (IP) address.

These anonymous data will be stored separately from any personal data you may have provided to us and thus do not allow any conclusions to be drawn about a certain person. They may be evaluated for statistical purposes in order to optimize our website and our offers.

The server log files are stored for a maximum of 7 days and then deleted. The storage of the Data is provided for security reasons, e. g. in order to clarify cases of misuse. If reasons of proof or compelling legal reasons are revoked, they are excluded from deletion until the incident has been finally clarified.

Contact opportunity

On our website we offer you the possibility to contact us by e-mail and/or via a contact form. Data processing is based on Article 6 par. 1 lit. f. (GDPR). In this case, the information provided by the user will be stored for the purpose of processing his contact. The data will not be passed on to third parties. A reconciliation of the data collected with other data that may have been collected by other components of our website does not take place either. The data will be deleted, as soon as they are no longer necessary for the purpose of their processing.

Google AdWords with Conversion Tracking

Our website uses Google AdWords and conversion tracking. This is a service provided by Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043 (hereinafter: Google).

Through certification according to the EU-US Privacy Shield, Google guarantees that it will follow the EU's data protection regulations when processing data in the United States.

We use conversion tracking to provide targeted promotion of our site. The legal basis is Art. 6 Para. 1 lit. f (GDPR). Our legitimate interest lies in the analysis, optimization, and economic operation of our site. If you click on an ad placed by Google, the conversion tracking we use stores a cookie on your device. These so-called conversion cookies expire after 30 days and do not otherwise identify you personally. If the cookie is still valid and you visit a specific page of our website, both we and Google can evaluate that you clicked on one of our ads placed on Google and that you were then forwarded to our website.

The data collected in this way is in turn used by Google to provide us with an evaluation of visits to our website and what visitors do once there. In addition, we receive information about the number of users who clicked on our advertisement(s) as well as about the pages on our site that are subsequently visited. Neither we nor third parties who also use Google AdWords will be able to identify you from this conversion tracking.

You can also prevent or restrict the installation of cookies by making the appropriate settings in your browser. Likewise, you can use the browser to delete cookies that have already been stored. However, the steps and measures required vary, depending on the browser you use. If you have any questions, please use the help function or consult the documentation for your browser or contact its maker for support.

In addition, Google provides further information with regard to its data protection practices at
